Hi, I'm the homeroom teacher for class 1-5, Yasumoto. Once the second semester starts, Tokura Hinata-kun will be transferring to our class. Since I want him to quickly get used to the class, I've elected him as a committee member for the upcoming Cultural Festival. Then Nagase Sou-kun nominated Koshiro Anna-san to be the other committee. The 3 of them really do get along well, don't they?

Due to my recent interest in interior design, I have a lot of new furniture I want to buy, but I also have useable furniture that I can't bring myself to throw away. I just can't decide. That's what today was like for me.

She was confessed to by Sou, but ended up turning him down. She didn't speak to Hinata for over half a year too. But the three of them were able to return to their previous relationship.

When they became high schoolers, Anna and Sou went to the same school. They were in the same class too. Hinata left his hometown to go to Tokyo. Even though they were so far apart, Anna and Hinata became a couple over summer. But immediately after, there was trouble, and Hinata got expelled from school.

Once again, the 3 begin living in the same apartment complex. The fireworks festival they go to together every year is rapidly approaching. This year Sou has his part-time job, so Anna and Hinata have promised to go together on a date, but...
